Notes to help you fill in the application form

You will get your Winter Fuel Payment automatically (you do not need to claim) if you are eligible for it, and you get either:

- State Pension, or
- another social security benefit (not Housing Benefit, Council Tax Reduction, Child Benefit or Universal Credit).

If you do not get either of these, or if you live abroad, you will need to make a claim.

If you had a Winter Fuel Payment before, you do not need to claim again unless you have deferred your State Pension or moved abroad.

To find out more visit www.gov.uk/winter-fuel-payment

The Winter Fuel Payment you get is based on your circumstances in the qualifying week. You need to have reached state pension age before or during the qualifying week to get Winter Fuel Payment. For winter 2022/2023 the qualifying week is **19 September to 25 September 2022 inclusive**.

Name of the account holder

Write the name of the account holder exactly as it is shown on the chequebook or statement. You can use an account in your name, or a joint account.

You can use someone else's account if:

- the terms and conditions of their account allow this,
- they agree to let you use their account, and
- you are sure they will use your money in the way you tell them.

You can use a credit union account. You must tell us the credit union's account details. Your credit union will be able to help you with this.

If you are an appointee or a legal representative acting on behalf of the customer, the account should be in your name only.

Sort code

Please tell us all 6 numbers, for example 12-34-56.

Account number

Most account numbers are 8 numbers long. If your account number has fewer than 10 numbers, fill in the numbers from the left.

Building society roll or reference number

If you are using a building society account you may need to tell us a roll or reference number. This may be made up of letters and numbers, and may be up to 18 characters long. If you are not sure if the account has a roll or reference number, ask the building society. By giving us your account details you agree that we will pay you into an account.

It is very important you fill in all the boxes correctly, including the building society roll or reference number, if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money. You can find the account details on your bank statements. If you do not know the account details, ask the bank or building society. If you do not have an account, please contact us for more information.

Finding out how much we have paid into your account

You can check your payments on account statements. The statements may show your National Insurance number next to any payments we have made. If you think a payment is wrong, please contact us on **0800 731 0160**.
